

Declaration of Conformity to EU REACH

Date of Issue; January 16, 2020

Products manufactured by LightPath Technologies / ISP Optics are in compliance with the requirements set forth by the REACH Regulation of the European Parliament and Council concerning Registration, Evaluation, Authorization and Restriction of the Chemicals (REACH). To the best of our knowledge, products manufactured by LightPath do not contain the substances in a concentration above 0.1% by mass listed in the following section of this directive; as defined in REACH SVHC List, Total Number: 205 Substances - Updated on 16 JAN 2020.

LightPath Technologies / ISP Optics is current to the above REACH regulation.

Customers are encouraged to visit the following site to get the most up to date information on current list of SVHCs under REACH: <https://echa.europa.eu/candidate-list-table>

Exception: Gradium Index Optical Glass contains substance of very high concern (SVHC) in concentration above 0.1% by mass: PbO (<62%) and AS₂O₃ (<.6%).

Best regards,

John Cardenas
Director of Quality
