

Certificate of Conformance

Products manufactured by LightPath Technologies are in compliance with the requirements set forth by the RoHS and REACH Regulation. The substances listed below that are manufactured by LightPath technologies complies with Directive EU RoHS 2015/863 of the European Parliament and of the council of 31st March 2015 on the restriction of the use of certain hazardous substances.

According to Article 33 of REACH, the manufacturer has the obligation to provide sufficient information to the consumer/recipient of the article if Substances or Very High Concern (SVHC) of candidate list (latest update June 10, 2022 with 224 substances: <http://echa.europa.eu/candidate-list-table>.) are contained in a concentration above 0.1% weight by weight(w/w). To the best of our knowledge, SVHC are not present above 0.1% w/w in any article of LightPath Technologies/ ISP Optics products.

The materials used in the manufacture of products comply with all material and/or manufacturing specifications indicated in drawings or specifications as called for on the purchase order. Any adjustment or Purchase Order requesting non-compliance materials will void this Certificate of Conformance.
